

PREMIUM FENCING

THE OUTSIDE COMPANY™

Get outside and live your best life

We realize that inside each of us, there is an Outside Side™ — a side begging to get out there, to be outgoing, to break out of our same old inside routines and to outdo ourselves with our outdoor space. At Barrette Outdoor Living, we help your Outside Side run free with products that constantly beckon you out there. We know there is an Outside Side in everyone and we're firm believers that it's our best side because we're The Outside Company™.

Your vision

Your home is more than just a space. It's where you raise a family. It's where friends gather, and seasons come and go. It is a living, breathing picture of your life. With our diverse and flexible range of outdoor living solutions, Barrette Outdoor Living can help you bring any vision to life.

Our mission

Barrette Outdoor Living strives to be the best in product design and innovation, inspired by those who work with and for us to create superior outdoor living solutions both professionals and homeowners demand. At the core of our business is a place where integrity, ingenuity and skill meet.

Our promise to you

At Barrette Outdoor Living, we believe in making things right. We proudly stand behind our products by providing dedicated support, superior customer service and product warranties that feature some of the most comprehensive coverage in the industry. With decades of experience behind us, we are quite confident in the craftsmanship and quality of our products, but we also realize things happen. If that thing happens, we promise to make it right within the constraints of our warranties.

Leading the way

Crafting quality

Making it right

Being responsible

As a leading provider of outdoor living products to the residential market, Barrette Outdoor Living manufactures vinyl, aluminum, steel and composite fencing and railing; composite decking; and other complementary outdoor products. **To learn more, visit us at barretteoutdoorliving.com/warranty.**

Quality you can trust

About Us

Barrette Outdoor Living is a proud American manufacturer with 14 factories throughout North America. With nearly 50 years of industry experience, our products are meticulously engineered and designed for beauty, flexibility and ease of installation. Barrette Outdoor Living's Premium Fencing — including our SimTek® and Bufftech® product lines — is made in America by American workers. We employ top-notch engineers and machinists, scientists, quality testing and research specialists along with our outstanding in-house customer service, sales and marketing teams all of whom are part of our American workforce.

Our Materials, Processes, Innovation and Testing Set Us Apart

Our Premium Fencing is made using proprietary raw material blends. Because of this, we know exactly what goes into our manufacturing processes and can ensure consistent, high-quality product. We have a long history of product innovation and hold more than 70 patents. Our product design and ingenuities ensure our Premium Fencing stays on trend and performs above expectations. Our state-of-the-art quality assurance processes utilize extensive internal and third-party laboratory testing, well exceeding other manufacturers, to ensure all our fencing products perform flawlessly for years to come.

Environmental Stewardship

Barrette Outdoor Living believes in building for the future and is strongly committed to being an environmental steward. Through the products we produce and the sustainability practices we follow, every day we work to reduce our carbon footprint and move towards being as “waste neutral” as possible.

SolarGuard® Protection

All Barrette Outdoor Living Premium fencing — including its SimTek and Bufftech product lines — feature SolarGuard UV protection. SolarGuard is a material composition that provides fade resistance* so that your outdoor living products will look good for years to come.

**Does not apply to white vinyl products*

Industry-Leading Warranty

Barrette Outdoor Living is so confident in the quality of our Premium Fencing products that we offer an industry-leading Transferable Limited Lifetime Warranty — providing you with peace of mind that your fence will last a lifetime.

Our Bufftech product line also includes PerformancePlus™ protection which includes warranted repair and replacements costs — including labor — for five years after installation.

BARRETTE OUTDOOR LIVING FENCING

Offering the natural beauty of wood without the upkeep, Barrette Outdoor Living's Fencing is manufactured to stand up to the elements.

Solid Privacy in Driftwood

Performance

Made from extremely durable PVC, Barrette Outdoor Living's Fencing — will not rot, warp, splinter or crack. And unlike traditional wood fencing, our fencing is low-maintenance and does not require staining or painting.

Wind Code

Barrette Outdoor Living Fencing is warranted to withstand up to 60 MPH winds without additional reinforcements. With additional reinforcements, we warranty up to 115 MPH wind gusts.*

**Please consult with your Barrette Outdoor Living sales representative to learn more about our product engineering and exceptional warranty coverage.*

Pool Code

Certain styles and heights of Barrette Outdoor Living Fencing are pool code approved at the national level. Please note that codes vary not only by state, but also by locality. Be sure to check your local pool code requirements before ordering.

Colors

Our innovative color streaking that occurs during the extrusion process creates a natural wood pattern that differs on each board — creating the look of real wood.

Ingenuities

Our patented ingenuities ensure our fencing performs above expectations.

StayStraight®

StayStraight is a unique material composition within vinyl fence rails that provides structural durability helping to decrease bending or sagging over time*.

**Does not apply to all products.*

StaySquare®

The StaySquare patented gate design with internal gate pockets, provides structural integrity that decreases sagging and bending over the years.

SIMTEK FENCING

Beautiful, rustic SimTek Fencing offers superior durability and performance for creating a quiet and private outdoor living space. Enhance your yard with this molded composite fence system — an innovative alternative to traditional masonry or wood.

Performance

SimTek's molded fencing — manufactured by Barrette Outdoor Living — is made with a proprietary blend of polyethylene plastic and is reinforced with galvanized steel. Our extremely durable fence systems are designed to create privacy and security without compromising aesthetics.

Wind Code

SimTek Fencing is engineered for use in high wind and hurricane conditions, as approved by Miami-Dade County NOA #22-0616.10.* Recognized as the most stringent standards in the country, Miami-Dade test protocols include dynamic wind load testing up to 115 mph.

*Miami-Dade County-approved NOA #22-0616.10, for exceptional performance in high wind conditions. To comply with Wind Code performance, additional items are needed for installation. Expires 4/4/2028.

Pool Code

SimTek Fencing meets requirements of the ASTM and includes styles that comply with local codes for swimming pool applications. Check with your local building code official as local codes may vary.

Sound Resistance

SimTek Fencing panels block 98% of direct sound. The Allegheny line has a sound transmission class (STC) of 26 and the Sherwood line has a STC of 23 to create quiet spaces.

Textures and colors

SimTek Fencing products set the standard for the latest innovations in decorative privacy. From our proprietary manufacturing process to our vibrant colors, SimTek Fencing is the undisputed industry leader in color and texture. With finishes that are molded from real wood and stone to deliver an authentic look and feel, SimTek Fencing is virtually maintenance-free and never requires staining or painting.

BUFFTECH FENCING

Bufftech Fencing features an array of sophisticated styles, complementary colors and authentic finishes along with premium features to ensure it will outlast and outperform the competition.

Performance

Bufftech's extruded fencing — manufactured by Barrette Outdoor Living — is produced using high-quality raw materials and features reinforced, routed rails; heavyweight pickets; routed posts and concealed fasteners.

Wind Code

Bufftech Fencing is engineered for use in high wind and hurricane conditions, as approved by Miami-Dade County NOA #21-0215.07.* Recognized as the most stringent standards in the country, Miami-Dade test protocols include dynamic wind load testing up to 115 mph.

*Miami-Dade County-approved NOA #21-0215.07, for exceptional performance in high wind conditions. To comply with Wind Code performance, additional items are needed for installation. Expires 3/13/2029.

Bufftech Fencing meets requirements of the ASTM and includes styles that comply with local codes for swimming pool applications. Check with your local building code official as local codes may vary.

Sound Resistance

Bufftech Fencing panels block 98% of direct sound with a sound transmission class (STC) of 21 to create quiet spaces.

Texture and colors

Barrette Outdoor Living's TimberGrain technology — found exclusively in the Bufftech product line — pairs the industry's most realistic wood texture with a rich blend of colors for the most authentic look available today. Molded from real wood, our proprietary TimberGrain texture process mimics the natural grain of wood. Available in four distinct colors that never need to be sealed or stained, making Bufftech Fencing virtually maintenance free.

Advantages of premium fencing over wood

Perhaps the biggest difference between wood and premium fencing is the amount of maintenance each requires. Wood fencing requires periodic sanding and regular staining to keep its appearance and to protect the wood. Barrette Outdoor Living's Premium Fencing is low maintenance and never requires sanding, painting or staining. It is also insect-resistant and will not rot, warp or weather like a wood fence.

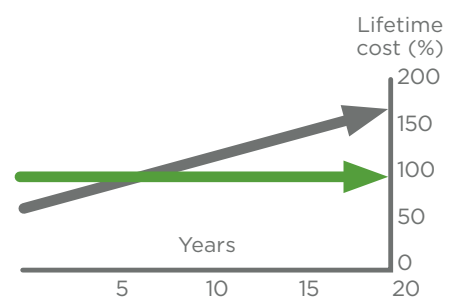

Sherwood in Walnut Brown

Invest in quality for a lifetime

While the initial investment to purchase Barrette Outdoor Living's Premium Fencing may be higher than wood, in the long run homeowners will find they will save not only in maintenance costs but also in replacement. And with an industry-leading Transferrable Limited Lifetime Warranty, you will have peace of mind for decades.

SimTek, Bufftech and Barrette Outdoor Living

Wood Fences

Cost includes fence price averaged over 20 years plus maintenance and repair costs. Cost is expressed as a percentage.
